

REMINDER

Please remember your photo requirements:

- On all Occupied properties, please make sure you have at least (2) photos.
1 clear photo of the house and address
Any other photos are wonderful!!
- On all Vacant properties, Please make sure you have at least (4) photos.
Clear photos of the front and back of the house, the address for the property, and a photo of the utility meter (if meter is not accessible or not found please note in comments) I must have also photos of all postings on the house and any damages visible.
- When dating your photos please make sure the date is correct and clear
- Photos must be in within 48 hours of receiving results
- Please note any details in the comment section that you think I would need!!!

Please make sure all these requirements are followed. Failure in sending in the correct photos will lead to **non-payment**.
